Dear Parents/Carers

Following our recent Ofsted inspection which took place on 15<sup>th</sup> and 16<sup>th</sup> February, 2022, I am delighted to confirm that our academy continues to be judged as "Good" and I would like to share the main points of the findings of the visit with you.

We are so very proud of both our staff and our children at Hamilton Academy and it is acknowledged that "Leaders and staff work as a team to ensure that pupils are 'MAGIC'. The attributes of motivation, attitude, gumption, independence and communication are threaded throughout every moment of the day". "... they support pupils to be the best in everything they do" and that "Pupils are polite and well mannered. They show respect to those around them" and "Pupils are kept safe".

Of course, there is always room for us to improve our "hidden gem of a school" and, as you would expect, we are already working hard on these areas.

Ofsted measure schools and academies against a rigorous, objective criterion which is applied to all. This has been recently updated and is even more challenging than before. Therefore, we are exceptionally pleased with this report and with the number of positive comments contained within it. Please click [here](#) to view the Ofsted report in full.

To conclude, despite the interruptions and distractions of the pandemic, we have managed to continue to offer your children a superb education which has been acknowledged and recognised in this inspection.

I would like to take this opportunity to thank you for your continued support and thank those parents/carers who responded to the Ofsted questionnaire during the inspection. Your kind, supportive comments mean such a lot to me and the staff.

Yours faithfully

*Y. Glaister*
