Early Years Foundation Stage Objectives

16-26 months

- 1. Explores new toys and environments, but 'checks in' regularly with familiar adult as and when needed.
- 2. Gradually able to engage in pretend play with toys (supports child to understand their own thinking may be different from others).
- 3. Demonstrates sense of self as an individual, e.g. wants to do things independently, says "No" to adult.

22-36 months

- 1. Separates from main carer with support and encouragement from a familiar adult.
- 2. Expresses own preferences and interests.

30-50 months

- 1. Can select and use activities and resources with help.
- 2. Welcomes and values praise for what they have done.
- 3. Enjoys responsibility of carrying out small tasks.
- 4. Is more outgoing towards unfamiliar people and more confident in new social situations.
- 5. Confident to talk to other children when playing, and will communicate freely about own home and community.
- 6. Shows confidence in asking adults for help.

40-60 months

- 1. Confident to speak to others about own needs, wants, interests and opinions.
- 2. Can describe self in positive terms and talk about abilities.

ELG

- 1. Children are confident to try new activities, and say why they like some activities more than others.
- 2. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities.
- 3. They say when they do or don't need help.
