

Year 1 Summer 2 Curriculum News

Welcome to Summer 2, we can't believe how quickly the year has gone!

Please see below for an overview of what your child will be learning this half term in Year One.

Mrs Ramsden and Mrs Byott

Geography

In Geography we will be exploring seaside's. We will use maps to locate seaside's in the UK before identifying human and physical features. We will also explore a seaside town in the UK before making our own maps.

Music

In Music we will be exploring vocal and body sounds. We will use our voices and bodies to create sounds inspired by the sea before moving on to instruments. We will also begin to look at music notation.

DT

In D.T we will be making fruit kebabs. We will begin by exploring where fruit and vegetables grow and learning how we know the difference between fruit and vegetables. We will look at how to use a knife safely when preparing fruit before designing, making and evaluating our kebabs.

Science

In Science we will be exploring the life and work of Mary Anning. We will learn what she discovered and what a palaeontologist is before making our own fossils.

Computing

In Computing we will be introduced to animation using Scratch Jnr. We will learn how to join blocks, make sprites, move spites and make sequences.

R.E

In R.E we will exploring the question 'Do we need shared special places?'. We will look at the Jewish place of worship, a synagogue and learn the different features and rooms that can be found inside. We will start to think about what places are special to us.

PSHE

In PSHE we will be focusing on ensuring the Year 1 children are prepared and ready for a smooth transition into Year 2 in September.

P.E

In P.E we will be focusing on health and fitness skills. We will also be playing striking and fielding games.

Maths

During our Maths sessions, we will develop our knowledge through lots of practical and some written tasks.

We will:

- count to 100
- partition into tens and ones
- explore the number line to 100-recognise coins and notes
- count in coins
- know the days of the week
- know the months of year
- tell the time to the hour
- tell the time to half hour
- describe turns
- describe positions (forwards, backwards, left, right, above and below)
- explore ordinal numbers

English

In English we will read the story 'The lighthouse keepers lunch' and non-fiction texts about lighthouses. We will write a character description about Mr Grinling, sequence the story, write a diary entry in the voice of Mr Grinling and invent our very own disgusting sandwich.

We will continue to focus on

- Capital letters and full stops to demarcate a sentence
- Using phonics to segment words
- Finger spaces between words
- Spell common exception words
- Form letters correctly including capital letters
- Compose a sentence orally before writing it
- Sequence sentences to form short narratives
- Join words and clauses using 'and'
- Using a capital letter for names of people, places, days of the week and personal pronoun 'I'
