

# Dream Summer Art

What would be your ideal summer? Trips to the beach maybe? A day at a theme park? A picnic with friends in a peaceful green field? Or a swim in an outdoor pool? Mirrored sunglasses show a reflection of what the wearer is looking at. Use the sunglasses template to create a scene of your ideal summer.

## You will need:

- Pencil crayons or watercolour paints. Both of these will give a light, relaxed feeling to your summer scene. If you are using paints, you will also need water and paintbrushes.
- Pencil
- Black felt tip or marker
- Sunglasses template

## Instructions

1. Draw your scene in the lenses of the sunglasses. Do this lightly in pencil so you can rub out any mistakes.
2. Once you are happy with your drawing, use your chosen materials to add colour.
3. Finally, colour in the frame of the sunglasses in black felt tip (if you have been using paints, allow time for the paint to dry before adding your outline).
