Thanks to everyone who donated bags, **we raised £67.15!** The Year 6 house and vice captains all helped by counting and moving the bags and, of course, holding the giant cheque!

Weekly Attendance Figures

Our whole school attendance target is 95% or more for the end of this academic year. Below is a breakdown of each class's attendance percentage **from last week**. Well done to Holly class for having the highest attendance rate!

Holly	100
Maple	97.6
Larch	98.7
Laurel	98.8
Alder	96.3
Elm	95
Hazel	96.1
Rowan	98.7
Cedar	98.3
Redwood	95.5
Blackthorn	97.6
Hawthorn	90.5
Lime	98
Poplar	84.4
Total	95.8%

Did you know...

If your child finishes the year with **95% attendance** they will still have missed 10 school days, which equates to around **55 hours of learning time**?

In fact, if your child misses just one day in the week it equates to them missing **20%**, with their weekly attendance sitting at just **80%**.

Remember: every day counts!

Attendance will be celebrated in assemblies and through certificates every half-term!

A Lunchbox Reminder

Please remember we are a **nut free** school. We have had an increase in nut products being brought into school in children's packed lunches.

Please check ingredients' labels carefully and ensure your child's lunchbox is **healthy and nut-free!**

Hanslope School's Digital Leaders

Hanslope School is proud to delegate the role of 'digital leader' to a variety of Year 6 students who are keen computer scientists! Let's meet this years' successful candidates!

Hi, my name is Joe, one of the new digital leaders. I love coding in Python, helping people with computers and chilling with my cats. I am so happy to be a digital leader and be able to do this job. I hope that I inspire future year 6 children to become a digital leader.

As part of this role, I will help you use the computers better, teach you new things and improve work using technology.

Hi, my name is Elliott. I'm a newly qualified Digital Leader. I really like football and I currently have a Youtube channel all about gaming which makes me good at computers.

I am really grateful for being elected as a digital leader as I love helping out and being the best. I am excited to become a role model to younger children and be support future digital leaders when they are in Year 6.

Hi, my name is Logan and I am the newly elected Digital Leader. I enjoy reading and love using computers. I will help people with using computers and teach children using computers. I am really proud to be a digital leader.

Hi, my name is Sonny and I am one of the newly elected digital leaders. I enjoy football, drawing and gaming. I can help the school by making computing lessons more fun (hopefully). I am really excited to be a digital leader because I like computing.

Hi, I am Salmata and I am elected to be one of this years' Digital Leaders. I am very sporty and I like to play football, tag rugby and track. I am from two different countries: Italy and Ghana. I love being from these countries because it makes me different to others. I chose to be a digital leader because I have a passion for electronics and I love playing games.
