Did you know...

If your child finishes the year with **95% attendance** they will still have missed 10 school days, which equates to around **55 hours of learning time?**

In fact, if your child misses just one day in the week it equates to them missing **20%**, with their weekly attendance sitting at just **80%**.

Remember: every day counts!

Year 5's DT project!

Last week, Year 5 had a fantastic time making their own soups! Leading up to this, they had explored soups from around the world, tasted different flavours, designed their own recipes and discussed seasonal foods, especially fruit and vegetables. We practised different chopping and cutting skills and they did a brilliant job with the vegetables. It even brought tears of joy to their eyes... oh no, sorry, that was the onions!
