HANSLOPE PRIMARY SCHOOL HEADTEACHER'S WEEKLY NEWSLETTER

Foundation's Trip to Hill Farm

Last week Holly and Maple classes went to Hill Farm where the Paton family had lots of exciting things to do.

They showed us round the farm and we met the new calves and lambs - we learnt about the crops they grow. We then had a very exciting ride in a tractor and trailer up to the bluebell woods where we had a lovely picnic. After lunch we made clay art on the trees and hunted for eggs. When we got back to the farm, there were lots of interesting activities in the barn. We had a great day and said a big 'thank you' to the Paton family before we left. For a gallery of more photos, please see the school website!

Hanslope's Student Newsletter Editor

Our Student Spokesperson's Column this Week:

Last week was 'Bikeability' for the Year Fives. Most people participated in the enjoyable activity with the instructors. On Monday, everyone went around the playground to gain confidence and to play some fun activities. On Tuesday and Wednesday, we were able to cycle out on the roads! It was such an excellent course, although lots were tired and worn out afterwards. Now that everyone knows their cycling capabilities, some are cycling more around their village or homes! I am sure next year's Year 5's will have just as much fun.
