

IN EVERY HOUSE ON EVERY STREET

Week 1

WELCOME EVERYONE!

Look Around You

Have you ever wondered what is happening behind the front doors of your neighbours? Every house has a story to tell!

Our Big Theme

Today we are talking about **Diversity**. That's a big word that just means all the things that make us different and special.

THE STORY: IN EVERY HOUSE

What's Inside?

In the book *In Every House on Every Street*, we see that while houses might look similar on the outside, the people inside are all unique.

Some houses have:

- Big, noisy families
- Quiet pairs of people
- Different languages being spoken
- Different yummy smells from the kitchen

WHAT WE DO THE SAME

1 We Care

In every house, people look after each other when they are sad or poorly.

2 We Share

We share meals, stories, and play games together.

3 We Grow

Every child is learning and growing every single day.

DIFFERENT BUT EQUAL

Celebrations might look different, but the joy and love are exactly the same!

THE KITCHEN TABLE

A Place to Chat

In many houses, the kitchen table is the heart of the home. It's where we talk about our day.

What do you talk about?

Do you talk about school? Do you tell jokes? Do you plan weekend adventures? Even if the food on the table is different, the **love and chatter** are usually there!

HOW TO CELEBRATE DIVERSITY

Be Curious

Ask friends about their favorite food or what they do at the weekend.

Be Kind

Always include others in your games, especially if they are new.

Be Proud

Share things about your own family and what makes you special.

LET'S TALK ABOUT HOME

Think about your own house.
What is one thing that makes
your home or your family
special or unique?

LET'S TALK ABOUT HOME

You might have said...

A special song you sing together.

A specific meal you have on Sundays.

Saying 'goodnight' in another language.

A funny hobby your family shares.

OUR STREET TOGETHER

When we put all our different houses and stories together...

...we make a beautiful, colourful community where everyone belongs!

ASSEMBLY ROUND-UP

Question 1:

What does 'Diversity' mean?

Question 2:

True or false: Many houses share the same feelings of care and love.

Question 3:

How can we be kind to people who are different from us?

Answers on the next slide...

ASSEMBLY ROUND-UP

Answer 1:

All the things that make us different and special.

Answer 2:

True.

Answer 3:

By listening, including them, and showing respect.

REMEMBER...

You Belong Here

No matter what your house looks like or who is inside, you are an important part of our school community.

Go Out and Shine!

As you walk down the street today, remember that every door is an entry to a special story. Be kind to everyone you meet!

Have a wonderful day!
