Hardwick Green Primary Academy

Art – Subject Overview & Progression 2026-27

Our scheme of work is taken from Kapow Primary's revised scheme of work. Two units are taught during an Art focus half term and the remaining two units are taught either during the 'art week' at the end of Summer 2, or during a longer half term where the art links with the science, history or geography learning. This ensures that all four units are covered over the year.

	Drawing	Painting & Mixed Media	Sculpture & 3D	Craft & Design
Nursery	Drawing, painting & mixed media, sculpture & 3D and craft & design opportunities in continuous provision			
Reception	Marvellous marks	Paint my world	Creation station	Let's get crafty
