## NSPCC ROCKS COMPETITION

Dear parent/carers,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in the UK through Times Table Rock Stars. The competition runs from 7:30am to 7:30pm on Friday 6 February 2026. It's all done online via [play.ttrockstars.com](http://play.ttrockstars.com) or the Times Table Rock Stars app.

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minute during the competition. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

Your child will likely know their log on details by heart, but if they are not sure then class teachers will happily provide these for you. Good luck!

Best wishes,

A handwritten signature in black ink that reads 'Chris Story'.

Chris Story

Principal
