

# Anti-Bullying Policy

## Child Version

### Our Anti-Bullying Promise

- Bullying is never okay.
- We want everyone to feel safe, happy, and respected.

### What is Bullying?

- Bullying is when someone **keeps hurting another person on purpose** with words, actions, or online messages.  
when the person being hurt **finds it hard to stop it or feels powerless**—for example, if the other person is stronger, has more friends, or won't listen when they say "stop."

### What Can You Do?

- Talk to a trusted adult anytime you feel worried.
- Use your classroom worry monster.
- Be a kind friend and stand up for others.

### Online Safety

- Learn how to stay safe online in lessons.
- Tell an adult straight away if someone is mean online.

### What Happens If Bullying Happens?

1. Adults make sure everyone is safe.
2. They help stop the bullying and talk to everyone involved.
3. We learn from what happened so it doesn't happen again.

### Your Voice Matters

- You can always speak up. We will listen and help you.
