### Key Knowledge

- We all have a family and there are different types of families.
- All people grow older from babies.
- Everyone is unique and we all have some similarities and differences.
- There are lots of different jobs that grown ups might do.
- Some people have jobs that help us such as teacher, fire fighters and doctors.
- We can look after our world by recycling.
- Some people in the world celebrate Diwali.

### Wider Curriculum & Experiences

**Phonics** – In phase 1 phonics we will focus on environmental sounds, rhythm, rhyme and alliteration.

**Maths** – We will be comparing amounts using more, fewer and same; talking about shape, exploring repeats and hearing and saying number names.

**Jigsaw** – We will learning about expressing our emotions and how to be a kind friend.

**Understanding the World** – we will learn about families, differences in people, growing from babies and occupations.
