## MRS WALKER

Sadly, Mrs Walker is leaving her role as teaching assistant at Hardwick Green to go to a new challenge. Her last day is Thursday 6<sup>th</sup> June.

Mrs Walker has worked in school for the best part of the last decade and over her time here has made a huge difference to our children, both in terms of support with their learning and most significantly, helping children socially and emotionally. As a Thrive Practitioner, Mrs Walker has spent the past few years working with children who need a bit of extra support to feel safe and secure in school. The difference she has made to these children is immeasurable. She has made a massive contribution to school as a whole, and to many children individually. Mrs Walker will be very sorely missed by everyone at Hardwick Green.

Next week, Miss Jowett (who is currently working in Year 6) will support Year 5 on a morning as their new teaching assistant.

Mrs Walker – from all of us, thank you for everything that you have done for the school and the children over your time with us. We wish you all the best in your new role!

Best wishes
