Key Knowledge

- The weather can be very different depending on what part of the world you are in.
- Animals that we may find in Africa/Europe/Antarctica/Arctic are all different.
- How to locate different continents on a world map.
- When water freezes it becomes ice, when ice melts it becomes water.
- Some places in the world are close to where we live, and some are very far away, which means it would take longer to travel to them.

Wider Curriculum

Maths: We will explore numbers 1, 2 and 3 and understand different representations of these numbers.

Phonics: We will introduce segmenting and blending as part of our Phase 1 Phonics.

RE: We will discover how people celebrate their religions, with a focus on Hinduism.

Understanding the World: We will learn about what makes some parts of the world different to others, including their environments and culture.

Jigsaw (PSED): We will learn about setting goals and achieving dreams.
