Menu Changes

Dear Parents and Carers,

From Monday 3rd November, all school meals should be ordered **weekly via the MCAS (MyChildAtSchool) app**. This change is being introduced to help reduce food waste and ensure every child receives the meals you would like them to have.

We kindly ask that you log in to MCAS each week to select your child's meals. Orders should be placed by Sunday 9pm for the following week.

Why this change is important:

- ✓ **Reduces food waste** by preparing only what is needed.
- ✓ **Ensures children receive meals they enjoy** and that meet any dietary requirements.
- ✓ **Improves efficiency** in our kitchen and meal planning.

Step-by-Step Guide to Ordering Meals on MCAS:

1. **Log in to MCAS** via the app or website: [insert MCAS link].
2. Select your child's profile.
3. Go to the **"Meals"** section.
4. Choose the meals for each day of the upcoming week.
5. Confirm your selections and submit.

Please ensure orders are placed by Sunday each week.

! Having trouble logging in?

If you experience any issues accessing MCAS or placing your order, please contact the school office **as soon as possible** so we can assist you.

Thank you for your continued support in helping us improve our meal service and reduce waste.

Best wishes,

Chris Story
Principal
