Key Knowledge

- We all display different emotions and things might happen to make us feel a certain way.
- We all have a family and there are lots of different types of families.
- Where we live is called a 'community'. We also belong to our school community.
- There are lots of different people in the world and we all look different and live different lives.
- Maps will show us countries, towns and streets.
- Different places in the world may look different.

Wider Curriculum & Experiences

Phonics - We will begin learning letter sounds using Read Write Inc and blending these sounds to read words.

Maths - We will be matching, sorting, comparing amounts and sizes, and exploring measures and patterns.

Jigsaw - We will learn to understand and to consider other's feelings.

RE - We will discuss what makes people special and we will learn about Christianity and Judaism.

Understanding the World - We will talk about our families and how we are all different. We will also learn about the countries of the United Kingdom.

PE - we will use our bodies in different ways to performance dances to nursery rhymes
