Wider Curriculum & Experiences

Phonics – We will continue learning letter sounds and blending the sounds to read words and sentences using Read Write Inc.

Maths – We will be learning about numbers 9 and 10. We will also learn about shapes and patterns.

Jigsaw – We will learn that we need to exercise and eat healthy food to keep our bodies healthy.

RE – We will learn about new beginnings and the Christian story of Easter.

PE – we will take part in Gymnastics this half term and use our bodies to pretend to be different jungle animals.
