Healthy

Key Knowledge

- Lots of food and other products come from farms
- There are many different types of animals on a farm
- Crops produce vegetables and other food
- Animals provide us with food and other products such as clothing
- Plants need soil, water and sunlight to grow
- There are different parts of a plant including roots, stem, leaves and petals.
- Vegetables are healthy foods to eat

Wider Curriculum & Experiences

**Phonics** – We will continue to use Read Write Inc. to learn how to recognise letter sounds and read simple sentences

**Maths** – We will be learning about numbers beyond 10, adding and taking away, doubling and sharing and spatial reasoning

**Jigsaw** – We will learn about making friends and being the best friends that we can be to each other

**Discovery RE** – We will learn about stories from various religions and the messages behind them.

**Complete PE** – we will take part in gymnastics lessons and explore using apparatus to move high, low, over and under.
