Dear parents and carers

As we approach the end of this academic year, we are stating to plan for 2022-23. Parents, carers and children will find out soon who their new teacher will be, but for now hear is the staffing structure for next year.

You will see that due to falling pupil numbers (which is across the borough, not just here) we are still running mixed-age classes in KS1 and next year we will only have one reception class.

## Staffing News:

Myself and Mr. Piggford (Vice Principal) do not have a teaching commitment so that we can lead the school and provide support wherever needed.

Miss Featherstone will be teaching across KS1 to provide additional teaching capacity.

Mrs White will be sharing the SENDCo role next year with Miss Fawcett, bringing increased capacity to support children with SEND.

Miss Dunning and Mrs Laverick will be teaching Computing, and French / Music respectively across school when teachers have their PPA time.

Miss Curry, Mrs Allinson & Mr Haley will also be providing specific support for pupils and leading our one-to-one reading programme.

Mrs Yates will be moving into a new role in school called 'play co-ordinator', and together with Miss Graham and myself she will be working on a project called OPAL (Outdoor Play & Learning) to make break and lunch times more fun.

**Transition Activities:**

Transition week is planned for the week beginning 4<sup>th</sup> July, and this will allow children to meet their new teacher and teaching assistant/s.

We will write with more details soon.

Yours sincerely,
