Whole School
Attendance for
HT2 2024-25

89.2%

Remember our whole school target is **96%** for every child.

Unfortunately we are now well below our school target.

Please help us and your child by ensuring their attendance remains above 96%, allowing them to achieve their potential.

Top tips to help improve attendance;

- Talk to child regularly about school and how they feel about it.
- Phone school as soon as possible to tell us why your child is absent, and when you expect them to return.
- Only allow days at home for genuine illness.
- Having a regular bedtime and morning routine can help you to arrive at school on time.

100% Attendance March Challenge

*As a school we are continuously seeking ways to improve attendance, which is currently well below our target of **96%**. Our latest initiative is **100% March Challenge!** If your child achieves 100% attendance in March they will receive a reward in school and their name will be entered into a prize draw to win £15 worth of Morrisons vouchers.*

*In order to meet the 100% challenge target children must attend school every day in March and be on time **every day**. If even one day is missed for any reason then unfortunately they will not meet the target.*

Come to school every day in March. You have to be in it to win it!
