

# Blake Class

## Spring Term

### Class Welcome

Blake Class have had a wonderful Spring half term experiencing the changes from Winter to Spring. We have enjoyed spending time outside as the warmer weather approaches.

### Communication and interaction

We have enjoyed our sensory story of 'Narnia' this term exploring the cold aspects as well as the changes to the warmer aspects. Blake Class have focused on expressing likes and dislikes throughout.

## Cognition and Learning

We have been using our fine motor skills to explore sensory media such as rice, pasta, aqua beads and more whilst working on our independence.

## Independence, social and emotional development

We continue to work on our friendships in class. We particularly enjoyed coming together as a team during World Book Day to dress up as Mr Men and Little Misses.

## Physical and Sensory

We have been working with the physiotherapists and occupational therapists on moving our body. We have practised moving our legs by stomping, marching, kicking in the swimming pool and walking using our walking frames. We practised moving our arms and hands by stretching.

## Special news and upcoming events

We are looking forward to exploring our topic of 'night and day' in the summer term. We are also looking forward to our annual trip to Hertfordshire Zoo where we are excited to be with our friends.

As we say good-bye to our teacher Megan, we are looking forward to continuing with Emine, Caroline and the rest of Blake Class.
