

Stort Class

Class Welcome

Stort class pupils have had a wonderful spring term. We have enjoyed lots of activities and taken part in many celebrations, such as Red Nose Day, Number Day, singing assemblies, and visits to the local library and park, just to name a few. The students have enjoyed learning both in school and in the community.

Literacy and Communication

In Literacy and Communications, we have been working on individual tasks to meet our targets. We have enjoyed a variety of activities, such as joining assemblies, doing word searches, completing writing tasks, working on sentence formation, and taking part in the Daily Mile to help us prepare for our first lesson of the day.

In English we have been looking at Dr. Seuss. This has stretched their listening and writing skills. The class have really enjoyed listening to the story Cat in A Hat.

Maths

In maths, our class has focused on key math skills including addition and subtraction, position and direction, and length and weight. The students have worked on solving simple addition and subtraction problems, and they've been learning about directions such as "left," "right," "in front," and "behind." We've also explored measuring objects by length and weight, comparing sizes and weights using both standard and non-standard units.

Life Skills and Independence

Start class pupils have worked hard on developing life skills and independence, from preparing for lessons to cooking complete meals. The class especially enjoys cooking, trying different recipes, and exploring various food textures. Students now fully participate in cooking lessons, from deciding what to cook to preparing, cooking, and washing up. This is a huge achievement for everyone. We even visited the local ASDA to shop for ingredients.

ASDAN

In ASDAN this term, the focus has been on good health and developing friendships, relationships, and community. The students have enjoyed taking part in various activities both in class and in the community to develop these important skills. In our hygiene lessons, we learned about how to keep our bodies clean and healthy. The students visited the local ASDA, where they completed a task identifying the correct products to use for personal hygiene. They thoroughly enjoyed this lesson.

Notable News & Upcoming Events

Children return to school for the Summer Term on Tuesday 22nd April 2025.

Monday 5th May – Bank Holiday Monday

Half term: 26th - 30th May

Staff Training (Pupils not in school): Monday 2nd June
