

Colne Class

Summer Term

Class Welcome

Colne Class have enjoyed a very warm and sunny summer term to end off our wonderful year. We have enjoyed exploring our summer theme of day and night as well as exploring our outside areas within the school. This term also saw us having community visits to the local park and a trip to Pets Corner and the inclusive playground at the town park.

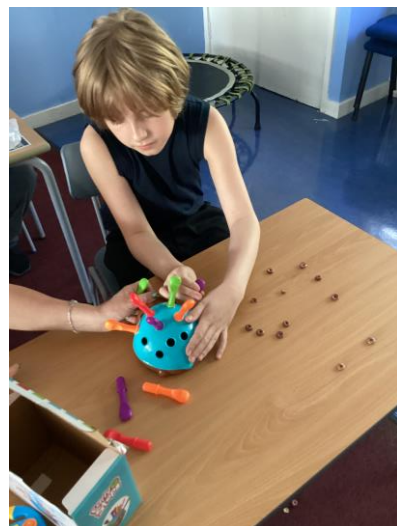

Communication and interaction

Our communication lessons this term have included our day and night sensory story, ICT and attention autism sessions. These are all popular sessions in class and our pupils really engage well in these sessions.

Cognition and Learning

Our cognition and learning lessons this term have included our maths experience lessons, food tech lessons and fine motor skills work. Food tech is a huge hit in class, especially when we get to eat what we have made!

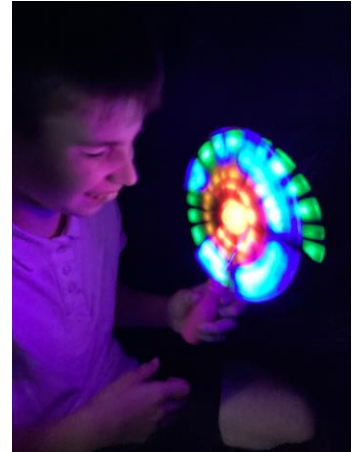

Independence, social and emotional development

Our independence, social and emotional sessions have included personal health sessions as well as our music and music machine sessions. They have also included our PLT work, music assembly and our community visits. It has been so nice being able to go out and visit our local park. We expanded on our social and emotional developments by joining up with another class on our community visits.

Physical and Sensory

Our physical and sensory sessions this term have included our sensory exploration sessions as well as art, PE and swimming. We have really enjoyed our swimming lessons and have been working hard practicing our swimming skills, but our favourite part is when we can play in the pool with our peers and the pool toys.

Special news and upcoming events

Colne class have worked extremely hard though out the school year and have made incredible individual and group progress in all areas of their learning. It has been an absolute pleasure to teach them this year. We wish all the pupils, staff and parents a well-deserved summer holiday. Sadly, we say goodbye to some of our amazing LSA's who will be moving to different classes next year.

We hope you all have a wonderful summer holiday!

The Autumn term starts on 2nd September for pupils.
