

# Dahl Class

## Spring Term

### Class Welcome

We have had an amazing spring term in Dahl Class. We have enjoyed welcoming new staff and pupils to class! We have also enjoyed going to the local park, dressing up for book day and exploring Narnia.

### Communication and interaction

In communication and interaction, we have been continuing to work individually on our 'P Level' targets which covers our 'Reading, Writing and Speech and Language'. We have also had lots of fun reading our Narnia sensory story and meeting Aslan the lion and saving Narnia.

## Cognition and Learning

This term in cognition and learning we have worked individually in maths on our 'P Level' targets. We have covered all 3 'Number, Geometry and Measure'. We have also loved doing cooking and making and tasting recipes from Narnia, especially turkish delight!

## Independence, social and emotional development

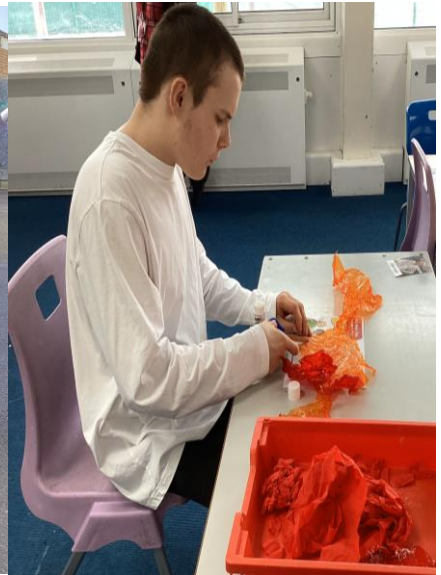

In independence, social and emotional development, we have been learning about personal hygiene and ways to keep ourselves healthy and happy! We have enjoyed going out in the local community to the park, learning how to cross the road safely and interacting with our peers when learning about turn taking.

### Physical and Sensory

This term in physical and sensory we have enjoyed creating Aslan faces, creating our own snow queen and decorating shields in our Art lessons. We have been taking part in music machine each week and learning body percussion to new songs in music!

### Special news and upcoming events

We have enjoyed lots of different things this term in Dahl Class and can't wait for the summer term!

**Pupils return to the school for the summer term on Tuesday 22<sup>nd</sup> April. Have a lovely Easter Holiday & have lots and lots of fun!**

Abbie, Sarah, Russell & Caroline.
