

# Dahl Class

## Summer Term

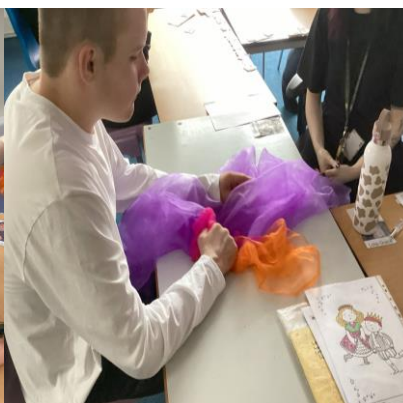

### Class Welcome

We have had an amazing warm and sunny summer term in Dahl Class! We have welcomed a new pupil into Dahl. Additionally, we have enjoyed exploring the theme of day and night this term in our lessons. We've been on multiple community visits and have had lots of fun!

### Communication and interaction

In communication and interaction this term we have worked on our topic of day and night through sensory stories, massage stories and ICT! We all love coming together each week to do our sensory story.

## Cognition and Learning

In cognition and learning we have been working on our maths experiences. We have also loved cooking each week and getting to try all the tasty food we are making! We have also had lots of fun in our music lessons this term.

## Independence, social and emotional development

Our independence, social and emotional sessions have included personal health sessions, focusing on hygiene routines. We have also enjoyed taking part in events around the school and out in the community.

### Physical and Sensory

In physical and sensory this term, we have worked on our day and night topic in our art lessons. We have enjoyed taking part in weekly PE lessons. Our favourite is taking part in reflexology lessons and getting to use the foot spas!

### Special news and upcoming events

We have had a fantastic year in Dahl class; everyone has worked extremely hard this year and have made amazing progress in every area of their work! It's been an absolute pleasure to teach every pupil in Dahl this year! We hope everyone has the most amazing, well deserved summer holiday. We want to say a huge thank you to the parents for their continued support this year! Next year, we say goodbye to some LSAs who will be moving onto new things! We wish them all the best.

happy  
SUMMER!

Autumn Term starts on September 2<sup>nd</sup>.

Abbie, Sarah, Caroline, Donata and Russell.
