Class Welcome

Lea class have had a fantastic first term. We have welcomed new friends into our class and worked on building friendships during our ASDAN sessions.

Literacy and Communication

We have enjoyed exploring a range of different familiar stories, 'We're Going on a Bear Hunt' was a class favourite, we really enjoyed recalling our favourite parts as a whole class. We have also been working on using colourful semantics in class to begin to request items. We also enjoyed a visit from the travelling librarian and engaging with the immersive sensory story.

Maths

During maths session this term Lea class have been working on developing arrange of different skills. We have been working on counting, adding, colour and shape matching. We have particularly enjoyed joining in with interactive games on the Interactive White Board.

Physical

We have enjoyed engaging in a range of different activities to improve our gross and fine motor skills. We enjoyed taking it in turns at bowling, we were very good at knocking the pins down and lining them back up for our friends. We also enjoyed throwing bean bags at the target and trying to get them to stick.

During art sessions we have enjoyed looking at different pictures of the seaside. We enjoyed creating different pieces of artwork using crayons, tissue paper and paint. But our favourite piece to create was sandcastles made from sand and glitter, great fun was had by all!
