

# Lea Class

## Class Welcome

We have had a great term in Lea class. We have enjoyed a session from Rock Steady, dressing up for World Book and getting to wear non-uniform for Red Nose Day.

## Literacy and Communication

Our book this term has been Mr Brown Can Moo. We have really enjoyed listening to the story and sounding out all the different sounds. During our communication sessions this term we have been focusing on using colourful semantics to comment on what we can see. Pupils have been improving their confidence and are able to correctly make a choice from two.

## Maths

We have been working on a range of different skills during our maths sessions this term. We have been improving our number formation, sorting objects into groups based upon size, ordering numbers to twenty, adding single digits using a number line and subtracting using objects.

## Physical

During our sensory and physical sessions, we been improving our fine motor skills. We have enjoyed participating in a range of different threading activities, tweezer activities and dough disco sessions.

## Topic

We have been working on building and developing friendships with both familiar and unfamiliar peers during our ASDAN session. We have enjoyed interacting with pupils from other classes and engaging in new activities.

## Notable News

Pupils really enjoyed making cheese on toast during one of our food tech sessions this term. For some of our pupils this was the first time they tried this, and they really enjoyed it! Well done for trying new foods Lea class we are very proud of you!
