

Lea Class

Class Welcome

We have had a great term in Lea class. We have enjoyed a trip to Pets' Corner, Bowling and McDonalds, participating in Sports Day and family picnic.

Literacy and Communication

Our book this term has been The Journey Home from Grandpas. We have really enjoyed listening to the story and sounding out all the different sounds. We have enjoyed learning the different Makaton for colours and different modes of transport. During our communication sessions this term we have been focusing on using colourful semantics to comment on what we can see. Pupils have been improving their confidence and are able to correctly make a choice from two.

Maths

This term in our cognition sessions, we have continued to develop a variety of important skills. We have been practising correct number formation, sorting objects by size, ordering numbers up to twenty, adding single-digit numbers using a number line, and subtracting with the help of objects. We have also been learning about the value of money and have particularly enjoyed role-playing shopping activities, using coins and notes in exchange for goods as part of our learning.

Physical

During our sensory and physical sessions, we have been developing our fine motor skills. We've enjoyed taking part in a variety of activities, including threading, using tweezers, P.E sessions and participating in Dough Disco sessions.

Topic

During our ASDAN sessions, we have been focusing on building and developing friendships with both familiar and unfamiliar peers. We have particularly enjoyed interacting with pupils from other classes and taking part in a range of new activities.

We have also enjoyed exploring both the school community and the wider community, helping us to develop our social and communication skills in different settings.

Notable News

We had had a great year in Lea class. All the pupils have made so much progress and continue to push themselves to continue improving. Well done Lea Class you are all amazing and we are extremely proud of you all!

End of year message.

As we reach the end of the school year, we would like to extend our heartfelt thanks for your ongoing support and collaboration.

It has been a real privilege to teach and support your children this year. Watching them grow in confidence, develop new skills, and achieve personal milestones has been truly inspiring. Every step forward has been a celebration, and we are incredibly proud of all they have accomplished.

Thank you for the trust you've placed in us and for working alongside us to support your child's journey.

We wish you all a calm, joyful, and well-deserved summer break. We hope you enjoy a lovely time together.

Charlotte, Caroleanne, Jordan, Joseph, Angela and Vicky
