Autumn Term

Class Welcome

Autumn term in Mulberry class has been full of fun.

We have

Wow! What a first term we have had this year in Mulberry class! Everyone has settled into their new class ever so well and have all made great use of our new Quiet room. During term 1 we have enjoyed lots of different celebrations including, Halloween, Fireworks, Children in Need and Remembrance Day. Harlow fields parents came in for our first "Come and Learn with me' session where Parents Enjoyed a music lesson with us and they got to try out some of our percussion instruments.

Communication and interaction

During our first term we have been following our overall theme "The colour monster". We have been exploring our emotions and looking at different colours, textures and our feelings. We also have been working incredibly hard in our phonics session, focusing on the letter's 'S' and 'A' so far and then taking part in sensory stories which we have enjoyed!

Cognition and Learning

In Maths we have been learning about positions. We have enjoyed the song "where's the Monkey?" and worked on matching pictures to the correct positions.

We all really enjoy "Help kid'z learn". Everyone gets a turn to pick an activity and watch it come to life on the screen.

Independence, social and emotional development

We have enjoyed using our senses to explore a range of foods, as well as practising our pouring, mixing and chopping skills. Some favourite foods in Mulberry class are Jam, bread, Cheese, Cucumber, Tomato and onion.

We have been practicing transitioning around the school whilst walking to the new Sensory rooms. Once there we have been Using the equipment together and working on taking turns.

Physical and Sensory

We have really enjoyed the new sensory rooms and equipment,

During Pe we have been working on developing our climbing, jumping and taking turns skills, we have utilised all the equipment and our favourite thing to do is jump from the high horse and land on the big squishy blue pad.

During our swimming session with Victoria, we have all been working on kicking our legs on our front and backs and we have also learned to push and glide.
