

Hawk Class

News

Hawk Class have had a fantastic first term, we've all settled in and have formed such lovely friendship groups, which is beautiful to watch their confidence grow. Hawk have worked hard in all curriculum areas and have had opportunities to try new things and gain new skills and experiences. We have had the opportunity to add swimming to our timetable this term and have loved our lessons with Victoria.

Literacy and Communication

In our English lessons Hawk have enjoyed two books that we have based our work around the first being 'a not so spooky spider' where we were following the diary entries of a spider that just wanted a quiet life! Hawk enjoyed practising writing our own diary entries, getting to know each character and writing about our favourite one. The second part of this term we changed to 'Inside Out' book and are focusing on learning about our emotions and feelings.

Maths

Hawk students have been working hard in Maths some have been working towards their Functional Skills Entry Levels. We have covered Shape, Numbers and Statistics during this term. It has been great to see the students start to apply these skills whilst out in the community buying items from shops!

ASDAN

Hawk class have been running mini enterprise projects which works towards their ASDAN qualification Personal and Social Development for this academic year. Last term we worked as a team to plan and through a 'spooky party' for our younger peers it was a big success, and everyone had a great time. This term we have been working hard making Christmas decorations which we will be selling at the schools Christmas fair, each piece is unique and made by each pupil.

Community Outings

Hawk Class have been out and about in the community, focusing on road safety skills and building confidence with our money skills. We have had some great fun bowling, visited local libraries and supported our local salvation army and their pop-up shop.

Events

We had so much fun at the local playhouse for Sleeping Beauty Pantomime, getting to share the experience as a whole department.

Wishing you all a very Merry Christmas and a Happy and Healthy new year.

Best Wishes Hawk Team
