

# Hawk Class

## News

Spring term has come to an end for Hawk! It has been a whirlwind of learning, achievement and new experiences. Our students have been fantastic the term and our enterprise has been a huge hit for us. We have delivered four different sales and made large profits which will be going towards our prom. Other areas of learning have been our work with Butterfly project, always being and thinking creatively. One project has been a weekly occurrence with design and technology projects. Students turned themselves into detectives for world book well and we finished the term on our class trip to Broxsted farm which allowed students to explore how a working farm operates.

## Literacy and Communication (Personal learning targets)

In our English lessons we have completed two schemes of work, one of the famous explore Shackleton linking our learning with his book retelling his journey to Antarctica. Our final piece was to write an application letter to Mr Shackleton to showcase our amazing strengths. Our Spring two topic was Fables, students explored a range of fables. Our final piece was to create our very own fable retelling the Lion and the Mouse. In personal learning targets, students have started to progress onto their new targets and continue to apply their independent learning skills.

## Maths (Cognition)

Hawk students have continued to work at their time related activities (ASDAN unit) in Maths, with focus on daily, weekly and seasonal events. Students have enjoyed visits from Wizeup. The workshops have focussed on financial literacy. In the workshop students explored the importance of budgeting, using a debit card and food shopping.

## ASDAN

This term students have continued to work towards their ASDAN qualification personal progress. Students have worked extremely hard in completing their portfolios for this academic year. In PPI (providing personal information) students have started to finalise their work by creating their very own passport- this consisted of the students writing their DOB/ home address and full name. Other units have included NCA (Engaging in new activities) students have enjoyed demonstrating their videography skills with a visit to Pets Corner to put their learning into practice.

## Work Experience

It has been a busy work experience for Hawk term this term. Students have attended Jack n Jills, and one student has started his litter picking in the community. In class students have been working on their topic of jobs in the community.
