

# Lea Class

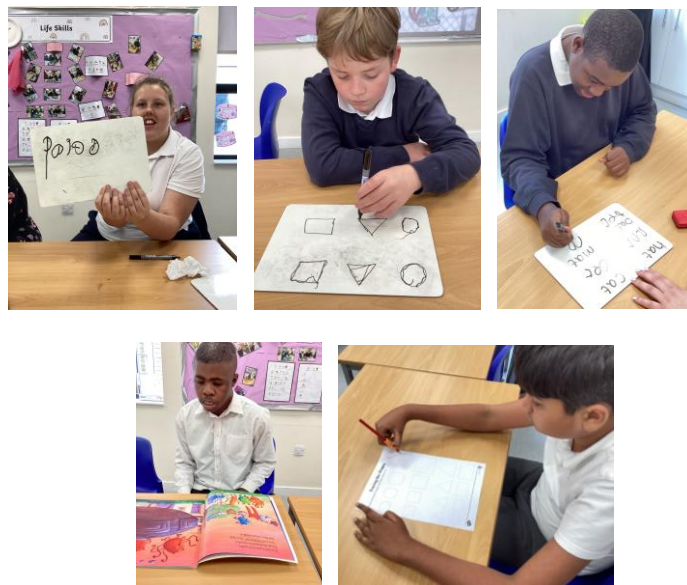

## News

We have had a busy term in Lea class! Some of our peers have enjoyed transition days to Sixth form, we have been for a trip to the Get to Know Animals Zoo and had a family picnic. We have worked hard and learnt some new skills to prepare us for a new academic year come September.

## Literacy and Communication

We have been exploring the book Aliens Love Underpants this term, we have enjoyed joining in and reading books with the adults. During writing sessions have been working on our pencil grip, letter and word formation. We continue to work on improving our communication skills by using symbols and Makaton throughout our school week.

## Maths

In maths sessions we have continued to focus on early addition and subtraction during number sessions. We have been focusing on sorting and sequencing in our geometry sessions this term. We are very good at completing patterns and sorting objects by shape, size or colour.

## Science

We have enjoyed exploring our science topic of motion this term. We have been focusing on the concepts push and pull. We have been experimenting which ways the doors around school open, which daily household items we push or pull and the different types of P.E equipment we use.

### Topic

We have enjoyed looking at a range of different healthy breakfasts in food technology this year, we particularly enjoyed making scrambled eggs on toast and porridge with honey. We have continued to work on improving our independence skills this term. We have been taking responsibility for our own items and ensuring that they are put away in the correct place for the next time they are needed. We have also been working on completing activities by ourselves such as washing the plates after snack or wiping the tables after we have eaten.

### End of Year Message

We would like to say a big thank you to all the pupils for all the hard work they have done this year. It has been a pleasure to work with each of them everyday and see the achievements they have made.

We would also like to say a thank you to the parents and families of our pupils for your continued support over the past year.

We hope you all have a lovely summer holiday and look forward to seeing you in September.

Charlotte and the Lea class team.
