

Hazel Class

Wow, what a busy and amazing year it has been in Hazel Class!

This term we visited Hertfordshire Zoo, had Sports Day, we were visited by the laughter specialist and the travelling librarian. We had so much fun and worked very hard, now the Hazelnuts are looking forward to a lovely summer break!

Literacy

This term in literacy Hazel class have continued working on their fine motor skills. We have also been sharing books with an adult, making and remembering sounds in phonics, and continuing with our writing and letter formation targets. We also enjoyed our sensory story "The Train Ride".

Maths

In Maths this term Hazel class have been exploring the concept of "big" and "small". We have been exploring big and small objects, sorting objects into big and small, and putting objects into size order. We have also continued working on our counting skills and exploring numbers through songs and rhymes.

Topic

Our topic this term has been "On The Move" and we have been learning all about transport! We made vehicles to go on our display and had fun making the sounds of the various vehicles. In PE we have been practicing our ball skills as well as our climbing and mobility, and in PSHE we have been playing cooperatively with our friends as well as learning about our emotions through the colour monster story.

Thanks to all the Hazelnuts for being so amazing this last year.

You have all worked so hard and we are very proud of everything you have achieved.

We hope you have a lovely and restful summer break, and we look forward to seeing all of you in September.

From the team in Hazel Class,

Adam, Jo, Elena and Molly
