

Oak Class – Lower school

Notable news

It's been such a great first year for all the children in Oak Class. We have settled into school routines, taken our first school trip to Hertfordshire Zoo, participated in sports day and developed lots of good friendships along the way.

Literacy and Communication

In literacy we have listened to stories, joined in with sensory stories and been lucky enough to have had two visits from the wonderful travelling librarian.

We have developed our communication skills and can all now clearly tell the adults around us what we want and need.

Maths

In Maths we have practiced our counting skills; learnt about shape, colour and sequences; used money in our class shop and started to learn about adding and taking away.

Topic – On The Move.

Our topic this term was 'On The Move'. We read the book 'The Train Ride' and acted out parts of the story. We have looked at and played with different types of vehicles.

We have learnt to ride scooters, balance bikes and bicycles.

Upcoming Events

As the term comes to an end all the Oak Class staff want to say what a pleasure it has been getting to know you all this year.

Some of the children are moving on to new classes next year, some to new schools and we are looking forward to meeting new friends in September.

We know that wherever the children are going to be in September that all of them will continue to grow and develop and shine like the stars they are.

Wishing you all a wonderful summer holiday.

From the Oak Class staff.
