

HB newsletter: Autumn 1, Wk 5

Harper Bell
Seventh-day Adventist
Primary School

Dear Parents and Carers,

It has been another successful week at Harper Bell, with excellent learning taking place across our school. I continue to be incredibly proud of the enthusiasm, effort and positive attitudes our pupils demonstrate each day.

A huge congratulations to our newly appointed Head Pupils and Heads of House team. These are important positions of responsibility within our school, and I am confident that our new pupil leaders will be excellent role models, representing our values and helping to make a positive difference across Harper Bell.

I would also like to remind families of the importance of excellent attendance and punctuality. Every day in school matters, and regular attendance is essential if children are to make strong progress, maintain positive routines and benefit fully from the opportunities we provide. We are actively monitoring attendance across the school and will contact families where attendance becomes a concern. Where required, formal attendance correspondence will also be issued in line with Department for Education expectations and our attendance procedures. We greatly appreciate the continued support of the many families who ensure their children attend school regularly and arrive on time each day.

We are also delighted to officially welcome Milo, our school dog, to the Harper Bell family! The children have already greeted him with such warmth and excitement. Milo will be joining us on various days throughout the week, including every Friday, and we look forward to him becoming a familiar and much-loved member of our school community.

Please also remember our upcoming Open Day on 15th October, when we will be delighted to welcome families into school and showcase the wonderful learning and opportunities taking place at Harper Bell. We are still inviting parents, carers and friends of the school who may be interested in becoming part of our new PTFA to come forward - please speak to the school office if you would like to get involved.

There is lots to look forward to as we continue to bring our school community together. We cannot wait to welcome families into school for more exciting events, including our upcoming Cinema Evening!

Thank you, as always, for your continued support and partnership as we strive together for "A more excellent way."

Mrs S. Sidhu

Curriculum in action: Reception

Harper Bell
Seventh-day Adventist
Primary School

 **Maths:** We have been practising using language to describe mass and weight. We compared objects and continued to practise counting and number recognition.

 **Writing:** We have begun to hear some sounds in words and are spelling CVC words with support!

 **Reading:** We are continuing to practise blending CVC words and have started to learn tricky words to, the, I and is.

 **Science:** We have explored new textures during our choosing time, such as coloured sand and paint mixing.

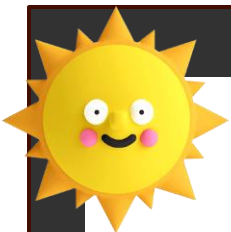

P.E P.E we practised a game where we were sports cars, changing speed, direction and testing our cardiovascular health.

Art: We chose our own recourses and made free choice Art.

Curriculum in action: Year 1

Harper Bell
Seventh-day Adventist
Primary School

English

This week, Year 1 have continued exploring **Oi Frog!**. We have described characters using exciting adjectives and practised putting our ideas into sentences. We have also compared characters and talked carefully about what makes them similar and different.

Maths

In Maths, we have been developing our understanding of **numbers and the number line**. We have practised ordering objects and numbers, finding numbers on a number line and using our mathematical vocabulary to explain our thinking.

Science

In Science, we have been learning about the **four seasons**. We explored how the weather, trees and amount of daylight change throughout the year. We have also been developing our scientific skills by observing, comparing and recording information.

Art

In Art, we have continued exploring the work of **Paul Klee**. We experimented with **lines, shapes and movement**, thinking about how artists can use different types of lines to create interesting artwork.

RE

In RE, we have been learning about **baptism and belonging to the Church family**. We explored what happens during a baptism and the important roles of parents, godparents and the church community. We focused particularly on the symbols of **water and light** and how baptism represents being welcomed into God's family.

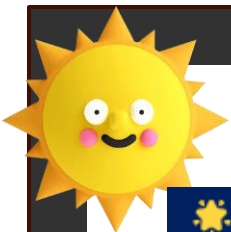

PSHE

In PSHE, we have continued learning about our **amazing brains and emotions**. We talked about what happens when we experience big feelings and practised ways we can help ourselves to feel calm and ready to learn.

P.E we practised a game where we were sports cars, changing speed, direction and testing our cardiovascular health.

Curriculum in action: Year 2

Harper Bell
Seventh-day Adventist
Primary School

12 Maths: This week, the children have been developing their understanding of number. They have practised comparing different amounts and numbers, using language such as greater than, less than and equal to. They have also been learning to count in 2s, 5s and 10s, using practical resources and number patterns to support their understanding..

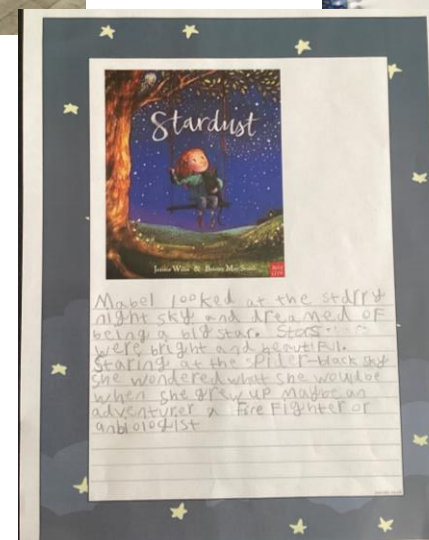

Writing: In Writing, the children have been exploring the story Stardust. They have been developing their sentence writing by explaining why characters felt or acted in certain ways. The children have practised using conjunctions such as 'because' to add reasons and make their sentences more detailed

Science: In Science, the children have continued to develop their understanding of living things and their habitats. They have been exploring how living things can be grouped and identifying what they need to survive.

Art: In Art, the children have been developing their drawing skills by exploring tone and shading. They have experimented with using different pencil pressures to create lighter and darker shades, building confidence in creating depth and detail in their artwork

PE: In PE, the children have been developing their athletics skills. They have been practising running, jumping and moving with control, while focusing on improving their coordination, balance and technique. They have also been learning to work positively with others and follow instructions during activities.

Curriculum in action: Year 3

Harper Bell
Seventh-day Adventist
Primary School

📖 Maths:

This week, the children started their new Addition and Subtraction unit. They began by revisiting their number bonds to 10 and using these facts to support their addition and subtraction skills.

📖 Writing:

The children worked hard to publish their explanation texts this week. They took great care with their presentation and were very proud of their finished pieces!

📖 Reading:

In Reading, the children continued to develop their retrieval and inference skills. They practised finding key information and using clues from the text to answer questions.

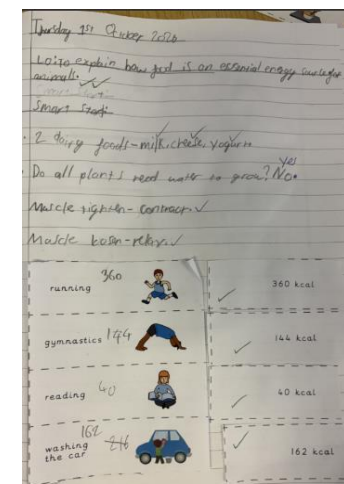

🌍 Geography:

The children continued their learning about volcanoes, building on their knowledge and understanding of these fascinating geographical features.

🏃 PE:

In PE, the children have been exploring dodgeball. They have been developing their throwing, catching and dodging skills, while learning how to work effectively as part of a team.

Curriculum in action: Year 4

Harper Bell
Seventh-day Adventist
Primary School

Maths

This week in Maths, we have continued our Place Value unit. The children have been developing their understanding of how to compare and order numbers, using their knowledge of thousands, hundreds, tens and ones to support their reasoning. We have also explored Roman numerals, learning how numbers are represented using different symbols and applying this knowledge to read and write Roman numerals accurately.

Reading

In Reading, we have continued to strengthen our retrieval and inference skills. The children have been using key words to locate information within texts, as well as using clues and evidence to work out information that is not stated directly. We have also been learning and exploring new vocabulary, thinking carefully about the meaning of unfamiliar words and how context can help us understand them.

Writing

This week has been an exciting one in Writing as the children have begun applying everything they have learned to retell part of the story of *Aladdin*. They have been using key writing features, including descriptive and figurative language and carefully chosen adverbials, to add detail and create vivid images in the reader's mind. We have been particularly focused on making thoughtful vocabulary choices that bring our characters, settings and events to life.

Geography

In Geography, we have continued our exploration of tropical rainforests, focusing on the threats they face and why they need to be protected. The children have considered how human activities can cause rainforests to change and the impact this can have on plants, animals, people and our planet. We have also discussed the many reasons rainforests are important and what can be done to help protect them for future generations.

The Story of Aladdin.
Quaking with curiosity, Aladdin
couldn't wait to enter the cave. Curious-
ly, Aladdin crept toward the entrance
of the cave.
Suspended, magically in the shining
glittering and glowing cave, there was
an ornate, rich, slightly tarnished lamp.
Whispering with fear, he noticed
there was no way out. After what
seemed like a millennium, Aladdin felt
like he would never escape. The
wall expelled the odour of rotten
eggs.
Yawning and stretching, his hand
brushing against the iron ring in
his pocket that he gorged about.

Curriculum in action: Year 5

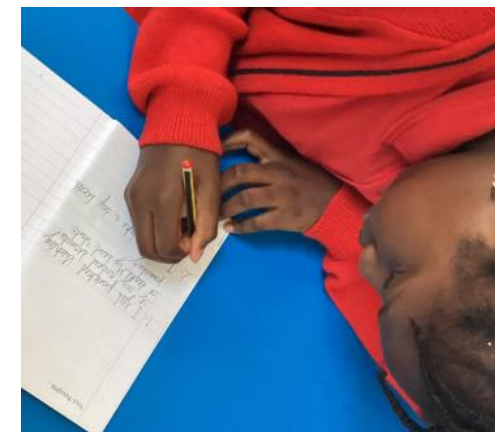

Harper Bell
Seventh-day Adventist
Primary School

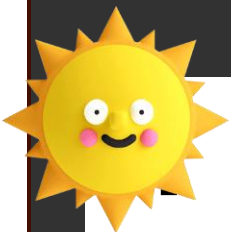

Maths: This has been our last week of looking at place value. Year 5 found 'rounding up/down' the hardest part of the topic but have been so resilient and by the end of the week every child was able to round numbers to the nearest 10 and 100.

Writing: This week the children have finished their drafting, editing and spend their time making their published writes look absolutely beautiful. Mrs Sidhu had the opportunity to see the children working on their published pieces and was beyond impressed with their presentation and writing so early on in the year.

Science: Science this week was lots of fun with the children using filter paper and funnels to turn dirty water into clean water. We also looked at how Severn Trent Water cleans our water supplies Birmingham with safe drinking water.

HB Home Learning: Autumn 1, Wk 5

Harper Bell
Seventh-day Adventist
Primary School

Reception:

Formation and tricky words we have learnt so far. Initial sounds. Name writing practice.

Year 1: Spellings and applying new digraphs in words.

. Reading books allocated please return Monday.

Year 2:

- Homework is now in homework books. Please look after the books and ensure they are returned by Wednesdays.
- Logins for TT Rockstar have been given out
- Reading books have been sent out on Big Cat COLLINS

Year 3

Homework is now in homework books. Please look after the books and ensure they are returned by Wednesdays.

Year 4

Homework books sent home:

- Maths
- Reading Comprehension
- Spelling

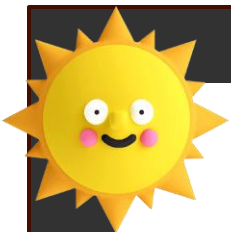

Year 5:

- Homework is now in homework books. Please look after these books and ensure they are returned by Wednesdays.

Year 6:

- Homework in homework books.
- Children should also be practising times tables on TT Rockstars. Logins have been sent home. Their accounts are monitored to see when they last logged in.

LEARNING SECTORS
Supported by Formula 1®

Our school is part of the British Council Learning Sectors programme

Supported by Formula 1®

Connecting our pupils with the world
through STEM, innovation and global learning

STEM
learning

Broadcasting
and media

International
collaboration

Real-world
inspiration

Global
citizenship

A more excellent way

Harper Bell
Seventh-day Adventist School

Harper Bell is part of the British Council Learning Sectors programme, supported by Formula 1®

We are delighted to share that our school has joined the British Council's Learning Sectors programme, supported by Formula 1®. This exciting international initiative connects schools in the UK with partner schools in India or Spain for a five-month project, giving our pupils the opportunity to collaborate with young people from around the world.

What will our pupils be doing?

STEM learning

Pupils will take part in curriculum-linked activities focused on science, technology, engineering and maths (STEM).

Broadcasting and media

Pupils will explore the world of broadcasting and media, including insights from experts at Formula 1®.

International collaboration

Our pupils will work with pupils in our partner school to share ideas, learn from each other and design creative solutions to real-world challenges.

Real-world inspiration

Through activities and expert input from Formula 1®, pupils will learn about innovation, careers and the exciting opportunities that STEM and media can offer.

What are the benefits for our pupils?

- ✓ Develops 21st century skills such as critical thinking, teamwork, problem solving and digital literacy.
- ✓ Builds intercultural awareness and global citizenship.
- ✓ Enhances communication and presentation skills through media-inspired activities.
- ✓ Gives insight into real-world careers in STEM, broadcasting and sport.
- ✓ Creates meaningful links with an international school community.

We are proud to be part of this inspiring programme, which supports our commitment to providing a broad, enriching curriculum and preparing our pupils to be confident, compassionate and globally aware citizens.

Our Pupil Roles

A more excellent way

Lead • Serve • Make a Difference

Young Leaders
Brighter Futures

Be the change
at Harper Bell

Our pupil roles give children exciting opportunities to develop their leadership skills, be part of a team and make a positive difference in our school and wider community.

Different talents
Stronger together

Faith Team

Help our school live out our Christian values and share it with others.

- ✓ Share faith through words and actions
- ✓ Encourage kindness and respect
- ✓ Be a positive role model

Wellbeing Team

Support the wellbeing of our school family and help everyone feel valued.

- ✓ Promote positive mental health
- ✓ Be a good listener
- ✓ Help create a happy, inclusive school

Representation Team

Ensure every voice is heard and help pupils feel represented.

- ✓ Share ideas and opinions
- ✓ Listen to others
- ✓ Help make positive changes in our school

Events Promotion Team

Help plan and promote exciting school events and celebrations.

- ✓ Be creative
- ✓ Help spread the word
- ✓ Get others involved
- ✓ Make our school events amazing!

Reading Team

Inspire a love of reading and help make books a part of school life.

- ✓ Recommend books
- ✓ Share your favourites
- ✓ Encourage others to read
- ✓ Help create a reading culture

Sport & Health Team

Promote an active, healthy lifestyle and encourage everyone to get involved.

- ✓ Encourage participation
- ✓ Support healthy choices
- ✓ Be a positive role model
- ✓ Help plan sport and wellbeing activities

Digital & Communication Team

Support digital learning and help share our school news.

- ✓ Be responsible online
- ✓ Create and share content
- ✓ Help others stay safe
- ✓ Use technology positively

Sustainability Team

Care for God's creation and help our school be more sustainable.

- ✓ Look after our environment
- ✓ Take action for a greener school
- ✓ Encourage others to be more sustainable
- ✓ Make a positive difference for the future

DEVELOP LEADERSHIP SKILLS
Build confidence and discover your talents.

MAKE A POSITIVE DIFFERENCE
Help create a happier, stronger school community.

BE PART OF SOMETHING BIGGER
Use your gifts to serve others and make a difference.

PREPARE FOR THE FUTURE
Develop skills for life and become a confident, compassionate leader.

Parent Voice You Said - We Did

LISTENING • WORKING TOGETHER • MAKING A DIFFERENCE

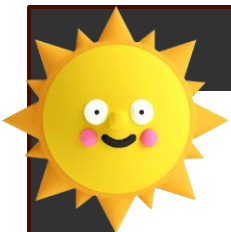

Thank you 
for your continued
feedback and support.
Together, we make
our school even better!

You said... You would like specific lunchtime supports for pupils who require help with a specific area of learning. 	We did... In addition to targeted in-class support and interventions, we now target pupils' individual needs through: • Maths lunchtime clubs • Times tables lunchtime club • Knowledge booster club. 	You said... You would like clearer communication of key dates and events. 	We did... We now ensure all dates are posted on the Class Dojo main page in addition to our newsletter. 
You said... You would like more sporting opportunities. 	We did... We have introduced after school sporting provision and invited a world class athlete into school. 	You said... You would like to feel more involved with and informed about your child's learning in school. 	We did... We now have frequent (at least half-termly) parent workshops to share our learning and how we teach, a weekly newsletter that explains our learning from the week and class teacher updates on Class Dojo. 
You said... You want to be fully aware of the home learning offer. 	We did... We have shared online platforms in which teachers can monitor progress during home learning and homework books to allow learning to be transferred consistently and effectively between home and school.	You said... You would like more enjoyable community events. 	We did... We have put on a range of events, including those to celebrate parents, carers and families. Such events will continue to be planned and published throughout the year. 
You said... You would like the opportunity to take learning beyond the school day. 	We did... We have arranged an 11+ tuition offer.

Visit from an Olympic Athlete

★ **Joel Fearon** ★

Team GB Bobsledder and Sprinter*

Joel Fearon is a Team GB Bobsledder and Sprinter and an inspiring role model for young people, ready to motivate our pupils and get everyone moving.

*** More details about this exciting event to follow!

GB BOBSLEDDER AND SPRINTER JOEL FEARON is visiting this school

f Joel Fearon X @JoelFearon6 @JoelFearon6 in Joel Fearon

Joel Fearon
Starting as a track and field sprinter, Fearon quickly established himself as a sprinting superstar, clocking himself a sub-10-second time of 9.96 seconds over 100m, ranking in as the 3rd quickest Briton! Joel's hunger for a new challenge led him to transition seamlessly from the track to the icy slopes of bobsledding, where his achievements sky-rocketed. Fearon earned his spot on the GB Team for the Winter Olympics, where his four-man bobsleigh team made Olympic history, achieving Britain's best result since Bronze in 1998!

Some of Joel's achievements include:

- ★ 2014 Sochi Winter Olympics Bronze medallist
- ★ 2013 World Cup Silver medallist
- ★ 2016 and 2017 World Cup Bronze medallist
- ★ Britain's 3rd fastest sprinter over 100 metres at 9.96 seconds

A Holy Mission

We are delighted to share that Mr Brown will be travelling to Jamaica on 3rd November for two weeks to support an important church-building project. During his visit, he will be helping to rebuild and repair three Seventh-day Adventist churches, including one in Westmoreland, using his practical skills to serve local church communities and help create safe, welcoming places for worship.

This is a wonderful example of Christian service in action and of using the gifts God has given us to help others. As 1 Peter 4:10 reminds us: "Each of you should use whatever gift you have received to serve others."

Mr Brown is currently raising funds to help cover the cost of his travel and accommodation, enabling him to carry out this valuable work. Any contribution, however small, would be greatly appreciated. Please see the school office if you would like to make a donation.

We will be keeping Mr Brown, the churches and the communities he will be serving in our prayers as he prepares for his journey.

Mr Brown is going to **JAMAICA** on 3rd November

Mr Brown will be travelling to Jamaica for **two weeks** to help rebuild and repair three Seventh-day Adventist churches, including one in **Westmoreland**.

Every donation, no matter the size, will make a real difference. Thank you for your support!

Spiritual thought for the week...

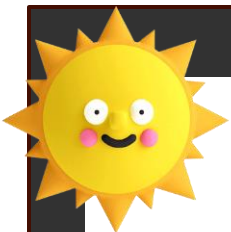

Harper Bell
Seventh-day Adventist
Primary School

“Devote yourselves to prayer, being watchful and thankful.” - Colossians 4:2

Prayer is a wonderful gift from God. It gives us the opportunity to talk to Him, thank Him, ask for His guidance and share the things that are on our hearts. We can pray when we are happy, worried, thankful or unsure - God is always ready to listen.

Attendance Page

Harper Bell
