Dear parent/carer,

### Re: Coronavirus concerns

You are likely aware of the outbreak of novel coronavirus and the subsequent confirmed cases in the UK. At The Enquire Learning Trust, we take the health and safety of our pupils and staff very seriously, so we are sharing <u>guidance</u> from Public Health England on steps you should be taking.

There is currently no cause for concern at any of our academies, but we will keep you informed about any developments and ensure we are keeping the school clean to prevent the spread of any virus.

### Prevent the spread of infection

Make sure you and your children follow these general principles to prevent spreading any respiratory virus:

- Avoid close contact with people who are sick
- If you feel unwell, stay at home and don't attend work or school
- Cover your cough or sneeze with a tissue, then throw the tissue in a bin
- Clean and disinfect frequently touched objects and surfaces in the home
- ➤ If you are worried about your symptoms, please call NHS 111 do not go directly to your GP or other healthcare environment
