

Year 1: What is the weather like around the world?

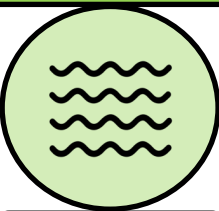

The seven continents:

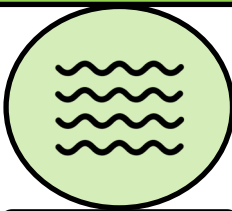

The five oceans:

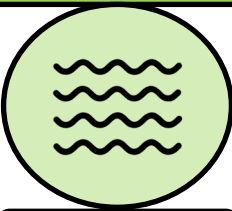

Pacific Ocean

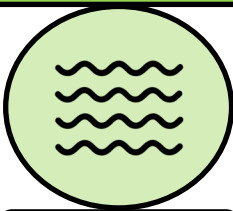

Atlantic Ocean

Indian Ocean

Arctic Ocean

Southern Ocean

Key vocabulary:

Continent: a large piece of land that contains different countries.

Equator: an imaginary line around the middle of the Earth.

Ocean: a large body of water.

United Kingdom: the countries of England, Scotland, Wales and Northern Ireland.

Seasons: main periods of the year that have their own typical weather conditions.

Compass points: directions such as North, East, South and West.

Where I live:

Stockton-on-Tees
