

Power Maths Practise Book - Summer Home Edition

Procedures for home learning

- This book replaces the need to use the White Rose work sheets
- Each lesson consists of a teaching page a visual image and explanation
- The next 2 pages are questions for children to practise
- The White Rose activity sheets will be made available on the school website for additional challenges

Teachers will:

- The teacher will continue to direct you to specific activities and page numbers on the Learning Grid every Monday morning
- Have daily contact with you and your child via Class Dojo messages
- Class teachers and teaching assistants will support children in their activities and give feedback on their profile posts
- Once the work has been marked at home, the teacher will respond to the work shared on Dojo Portfolio promptly

Bring every family

Parents will:

- Ensure that they log into 'Class Dojo' daily
- Ensure your child has access to their home learning through Dojo and the school website https://www.harrowgateacademy.org/
- Ask for support and advice from Harrow Gate staff in order to help their child
- Ensure your child has the correct page and is focussed on their task refer back to the teaching pages
- Contact school if unable to access learning
- Mark work with children and ensure your child posts their work onto their 'Dojo' profile

Children will:

- Look at the school website and class dojo every day to find out their home learning activity.
- Complete the work set to a high standard
- Share this work with the teacher through their 'Dojo' Profile
- Use their schoolbooks and pencils to show their 'best' learning.
- Take pride in their learning.
- Talk to their teacher and other Harrow Gate staff through 'dojo'.
- Ask for help from the teachers whenever they need it.
