

# Spring 1 Learning

During the next 7 weeks our general theme will be 'I am me.' As we are starting a new class, we will be looking at new beginnings and how we feel about taking on new challenges. We will also be looking at our local area and how it differs from that in our story, our homes and families and the people in our local area who can help us keep safe and healthy.

## Synonyms

Using synonyms will help to expand your child's vocabulary and allow them to experience new language! While reading The Brave Bear book I will expose the children to new words. Home challenge, see if you can use synonyms while talking to your child.
