Working with the school to help your child be happy and settled.

If you have any spare time and would like to come to any of the parent activities I'd love to hear from you, that includes Dads. You may even have a talent or a skill that you could share with us? It could be arts and crafts, gardening, cooking or other hobbies. Just get in touch and let me know.

If you would like to volunteer in school, let me know and we can arrange a time to suit you and have a chat.
