A Day in Nursery

I'm Harold,
the Hassell
bear

Mrs Delves

Welcome to
Nursery
My name is Mrs Delves
and I will be one of your
key works in September.

I'm looking forward to
seeing you soon.

Mrs Boden

Welcome to
Nursery

My name is Mrs Boden
and I will be one of your
key works in September.

I can't wait to meet you!

Miss Ryan

Welcome to
Nursery

My name is Miss Ryan
and I am the Reception
class teacher and Early
Years leader. I support
the nursery staff. So you
may see me sometimes
too.

Let me tell you what a
day in Nursery looks like.

Good morning!
When you come to school in the morning,
you need to walk through the playground
and find our classroom door.

Mrs Delves will be there to see you. You
will see some adults who work in our
class too, such as Mrs Boden.

You will be in your school uniform.

I'm Harold,
the Hassell
bear

Coming into class

When you come to school in September you will come into the school, over the 'big yard' and into the infant yard pictured below. Parents are kindly asked to stop at the classroom door. (due to social distancing)

Parents, children usually settle in really well, please don't worry. We will contact you with any concerns. We find the best thing is to have a big smile and hug and say bye,bye.

Mrs Delves will be waiting for you here.

The Nursery Entrance

When you come into the classroom, you will need to take off your coat and hang it on your peg. Each child in our class has their own peg. You will put your lunch bag (if you have one) and water bottle on the trolley and your school book bag in the box. The adults will make sure everyone knows what to do. *(Theses things are needed everyday, please label all items)*

The school book bags are the perfect size to fit in your reading folder

Our next job is to do the register. We sit on the carpet and say good morning to each other. Your teacher will tell you what we will be learning for that day and all of the fun activities that will be available. Your teachers will give you lots of help throughout the day. Our learning takes place inside and out. You'll have so much fun!

Timetable for a typical day

- ✎ 8:40 – 9:00 Children (arrive over via the yard am routine)
- ✎ 9:00 Register is taken

Eating the right balance of healthy, tasty food helps children to learn and develop. That's why making the right decision about what your child eats at school is so important.

Eating the right balance of healthy, tasty food helps children to learn and develop. That's why making the right decision about what your child eats at school is so important.

Over the last year your child has been benefiting from all the good things school food offers, thanks to government funding for free school meals for all children in Reception, Year 1 or Year 2. They've had the chance to try new food, to enjoy eating with their friends, tucking into delicious meals packed full of the energy and essential nutrients they need to grow and learn.

If your child has moved up to Year 5, you have a decision to make about whether to pay for school meals now. If you receive certain benefits, you may still be able to claim free school meals for your child (talk in your school for more information on how to apply).

- Encourage your children to try different foods, as well as enjoy familiar favourites.
- Provide at least two of the recommended 5-a-day portions of fruit and vegetables.
- Get them thinking about healthy eating, which will help them make good food choices in the future.
- Help children's concentration and behaviour in a classroom.

Any dietary requirements, please contact the school to make an appointment to meet Mellors Catering Staff.

We look forward to building a healthy school meal relationship with you all and above all, serving your child great and

What we will learn in Nursery class

The early years foundation stage

[EYFS – Areas of learning here](#)

In Nursery all of our lessons are linked to the children's needs and interests with the aim of reaching or exceeding the ELGs by the end of the foundation stage (Reception) At Hassell we have adopted the new Early Learning Goals.

. The Statutory Framework for Early Years can be found [here](#). The what [to expect when document](#) is very helpful and gives you an insight into how your child may progress. Please contact Miss Ryan if you would like more information.

Topic information will be set out at the beginning of each half term.

Home- School Links!

We've started to use a new system which will allow us to share what your child is doing in school.

The 'Parent Share' feature in Evidence Me enables you to view reports (complete with photos) via the app or web suite, showing you what your child has been learning and the new skills they are developing.

We think these reports will really brighten up your day!
We will send a letter with full details in September.

Dedicated parent app

Teachers and parents can share information instantly, in class and at home.

What does school readiness mean?

You may have heard the term school readiness, below are some of the things that a child of nursery age may be able to do. If they are not at that stage yet please don't worry, we are here to help. Please may we ask that you tell your class teacher if your child is not toilet trained so that we can make plans to ensure they are comfortable and happy. Please ensure you tell us about medical conditions and allergies on your application form.

- ✓ Put on/take off your coat.
- ✓ Put on/take off your jumper/cardie.
- ✓ Begin to take care of own belongings.
- ✓ Use a knife & fork.
- ✓ Drink from a cup.
- ✓ Use the toilet independently.

Covid-19

- ✓ Extra cleaning
- ✓ Careful selection of resources
- ✓ Rotation and cleaning of resources
- ✓ Handwashing
- ✓ Catch it, bin it, kill it.
- ✓ Key Stage bubbles
- ✓ Social distancing for parents
- ✓ Mental health and wellness support

If you have any questions or concerns relating to Covid-19 and the measures taken in school please contact Mrs Broome on headteacher@hassell.staffs.sch.uk

Care [club](#)

If you need wrap around care. Care club is available for any child who attends our school. It provides a high quality of care with the emphasis on fun activities and enjoyable pastimes.
