The Early Years Foundation Stage (EYFS)

Our Curriculum

Charateristics of Effective Learning

Playing and Exploring
Children investigate
and experience
things and
'have a go'.

Active Learning
Children concentrate
and keep on
trying if they encounter
difficulties
and enjoy
achievements

Creating and
Thinking
Critically

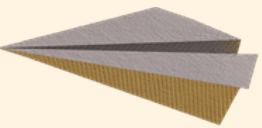

Children have and develop
their own ideas, make links
between ideas and
develop strategies for
doing things.

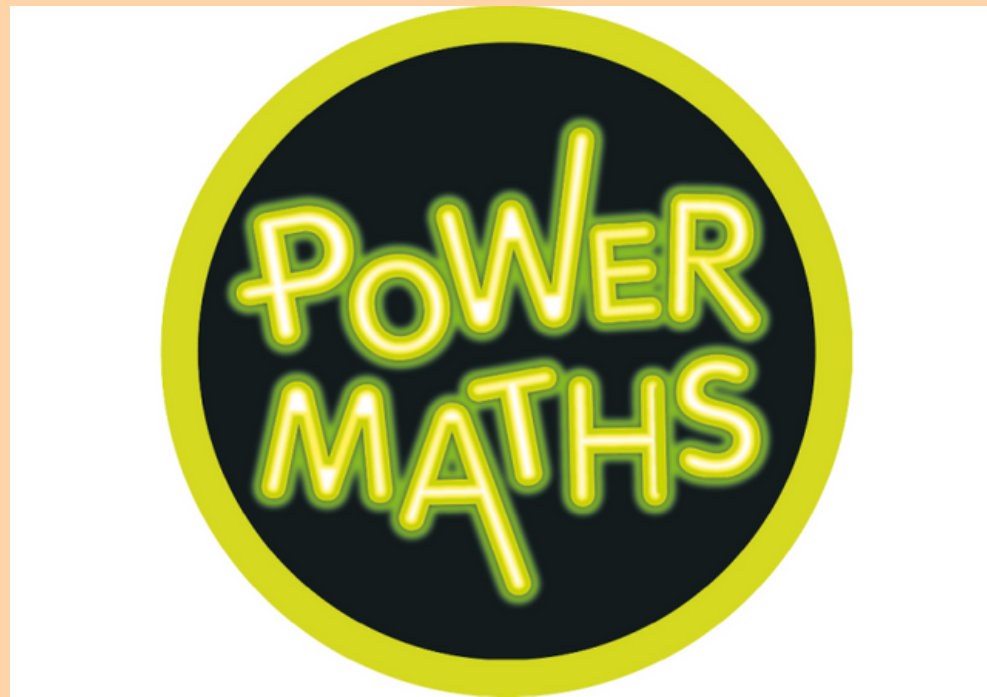

≡ So, what does our curriculum look like on a daily basis?

At Hassell we have mix of adult led, child initiated, independent and play based learning. Most of all we want learning to be fun! We base our topics on the children's needs and interests.

You can see our curriculum in detail on our school website or ask Miss Ryan :-)

≡ Transition activities

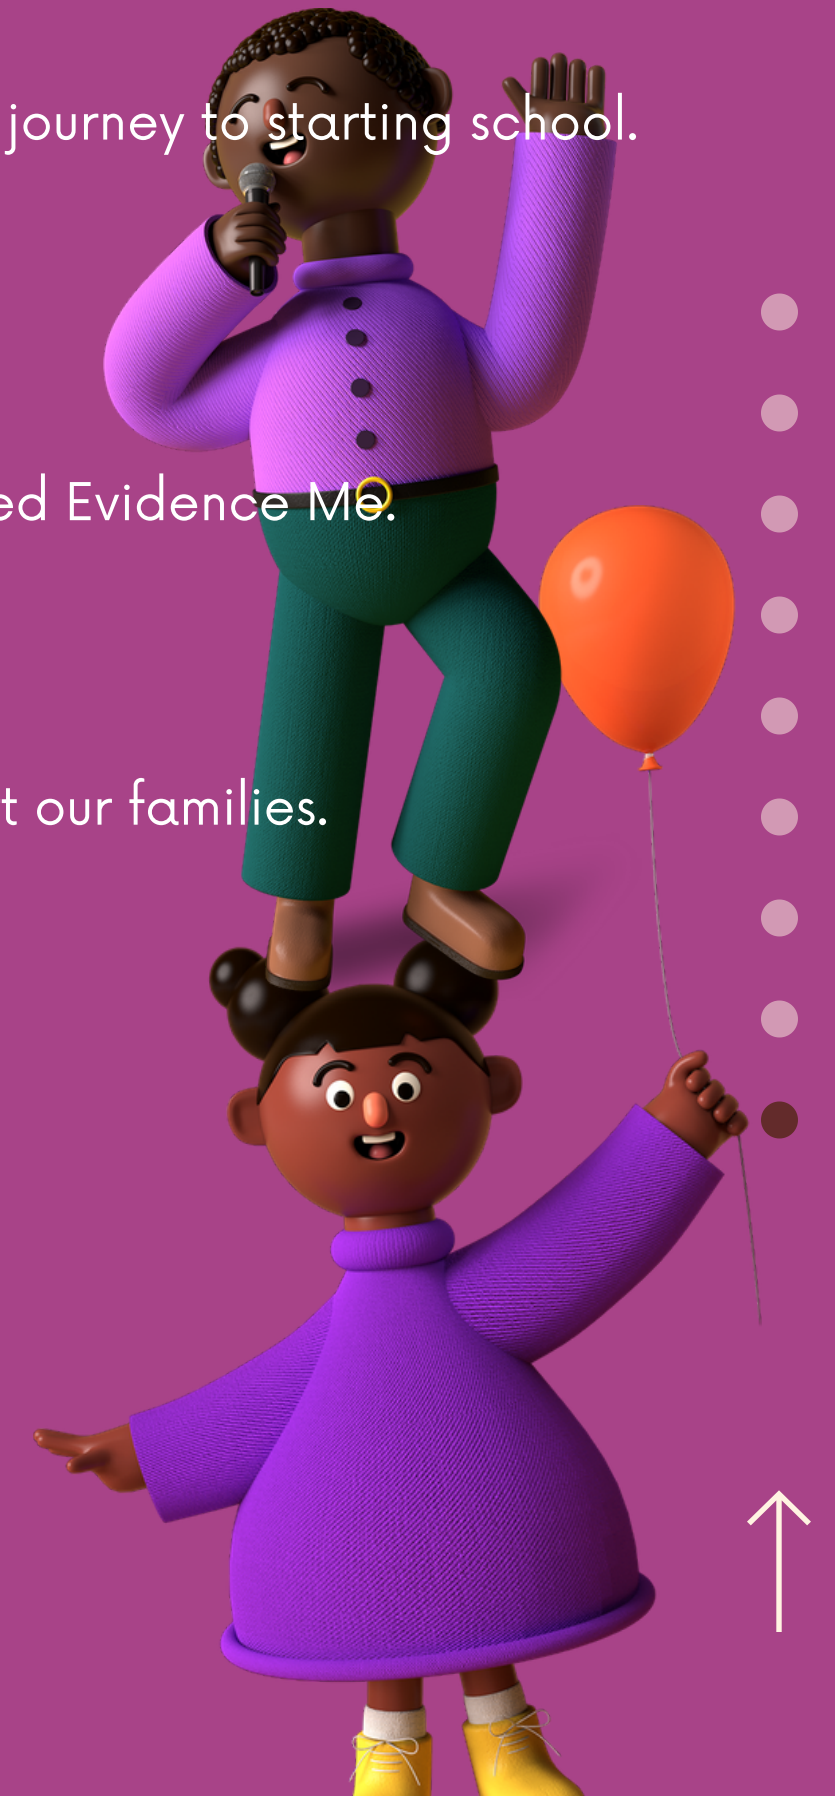

From May onwards we have an extensive range of activities planned that will support your child's and families journey to starting school.

We hope to share lots of practical information with you about starting school. At Hassell we know that having strong home school links are vitally important and value your support and that of your child's preschool. Our activities aim to include everyone that is involved in your little ones life. We hope to get to know your little one with a range of meetings, activities and via an online learning tool called Evidence Me.

September - Starting school

We don't stagger our start because lots of our children have already attended a setting and we aim to support our families. Should your little one need an extra support in settling into school we will of course meet their needs.

School begins on Thursday 2nd September 2021

Transition to Hassell

- June 2021
- Evidence ME -New starter families will have access to Evidence ME
- Preschools will be sent our starting school presentation
- Virtual Parents evening for new families
- Recorded meet the teacher and starting school video released.
- Miss Ryan's virtual classroom is released via Google Classroom. Each week there will be a new video and activity available to complete. Families may share via Evidence ME
- Pre-school visits where possible
- Harold the Bear will send out his friends to your home. Over the summer we hope to get to know you & your teddy via the adventures that you share with us.

August 2021

- We hope to invite families into the school during the last week of August.
