Thought of the Week

'The actor should be able to create the universe in the palm of their hand'

Sir Laurence Olivier

It's Behind You

We had some very talented actors in the academy on Wednesday (Oh no you didn't, Oh yes we did) who did a magical performance of Jack and the Beanstalk.

There were magic beans, giant 'fee if fo fum's' and treasure.

It truly was a treasure to see the children in years 1 to 4 thoroughly enjoying the live production. Thank you to our parents and carers who contributed towards the cost of the production, as £2 each enabled the show to go on!

A message from our Principal

It was delightful to see the children mesmerised by the performance of Jack and the Beanstalk this week. We strive to give Hawes Side children many wider opportunities and experiences; this one was certainly a hit with all the audience.

Thank you to those of you who attended our SEND drop in. It was a great opportunity to meet our School SEND Advisory Teacher and our SEND Trustee in an informal setting. I hope you found this session useful. Please save the date of our next drop in (20th November) where you will get the chance to meet with our Primary Mental Health Worker.

We welcome our Year 6 children back from their residential visit to Borwick today. We are told that they have been wonderful ambassadors and have had a thoroughly enjoyable few days. We expect them all to be very tired on their return! I'm sure you'll share my thanks towards all the accompanying staff who gave up lots of their own time to make this trip possible.

Year 4 News

Over the past few weeks Year 4 embarked on learning the 3 and 6 times tables - using Supermovers. (Have a look at BBC Supermovers).

As most of you know we are making parks in Design Technology and the children are enjoying making their bases, swings and slides. Thank you for your cardboard and other materials which have enabled us to bring these designs to life.

In science, we are exploring electricity and have spent the last few weeks working in teams to create circuits. Why not ask your Year 4 child the question 'how do you light up a light bulb or turn on the buzzer?' Year 4 were also surprised that lightning is the only natural source of electric.

Finally, in PE we have been looking at direction and how we use this to get from one place to another. I think Year 4 could be your sat nav next time you need to find your way!

It certainly has been an actioned packed half term of learning!

Year 1 Family Learning

Have you signed up for the free Blackpool Rocks workshop starting in November? You can access the app, or ask your child's Year 1 teacher, for more information.

Northern Taekwondo

There are a few spaces at Taekwondo.

If your child is interested, contact Master Lee on 07779 275207.

Monsters on the Loose

Monster Hunt

28 October – 3 November 2024

Blackpool's rooftops are coming alive! The all-new Monster Hunt will be one of the big attractions in the town's extensive Halloween By The Sea celebrations.

From Monday 28 October to Sunday 3 November, prepare for an epic invasion as 10 giant monsters take over buildings around the Golden Mile and nearby town centre.

Your mission? Hunt them down during the day or when they illuminate at night. Keep your eyes peeled for these hilarious, larger-than-life creatures and enjoy this spectacular free trail for all ages over the Halloween period.

Pick up a free Monster Map from the Tourist Information Centre at Festival House on the Promenade or view online nearer the event start date.

For more information, head to: <http://www.visitblackpool.com/monsterhunt>

The Monster Hunt is fully funded and supported by the UK Government through its Shared Prosperity Fund.

Celebrating Success

Logan passed his Taekwondo grading and Master Lee is exceptionally proud of all his hard work.

Final Reminder for Parents/Carers

Tuesday 15th and Wednesday 16th October

Class 6H only: Monday 14th and Tuesday 15th October

Bookings on Arbor have now closed. If you need to make an appointment please email the office at

admin@hawes-side.co.uk with your booking choice and they will endeavour to arrange this

Foundation families - please book directly with your child's class teacher
