

Hawes Side Academy News

A message from our Principal, Mrs Boothroyd

I hope this newsletter finds you well. Can you believe that Christmas is fast approaching, I can hear the festive songs being sung around the academy.

To celebrate the season, our partner facilities company, Integral, have generously donated an advent calendar for each of our wonderful children. We would like to say a huge thank you to Integral and will make sure these are given out next week in readiness for the 1st December.

Watch out for messages about Elf Run & Christmas Dinner

Year 3 have been finding out about rocks; sedimentary, metamorphic and igneous rocks. We have been looking at rocks and how rocks are formed.

How hard are rocks? In our investigation chalk

was very messy but it was fun finding out and lots of bits came off. Sandstone was messy too!

The whole year group have been researching the Bronze Age and asking questions about that era. It has been really interesting looking at the past and being mini historians.

We love music! Some of our Year 3's have been getting ready for the festive season singing songs and practising on recorders. They are looking forward to performing to families very soon.....

Thank you Hawes Side Community you raised **£385 for Children in Need**

Thank you

Over the last weeks we have asked for donations of various items such as clothing and toys.

We have been astounded by your kindness. An abundance of toys and books have been donated and lots of clothing items. One parent even donated some food.

During this cost of living crisis, it is wonderful that you have donated to our academy for us to share with those who may need it even more.

We are still hoping for toys, games for Extended Schools and any underwear, socks and clothing you have spare for general use. There is always a need!
