Learn Taekwondo

A message from our Principal

As we approach the end of our first half term, I wanted to share what a wonderful start we have had to the school year. The past few weeks have flown by and have been filled with many exciting activities, trips and visitors.

From the various visitors we have had in the academy, they have all commented upon the positive atmosphere and strong sense of community that is evident throughout. They were impressed at how our children live out our values in their daily interactions, both in and out of the classroom. We have seen kindness, respect and a genuine enthusiasm for learning, which makes us very proud.

Thank you for your continued support and we look forward to building upon this as we move into the next half term.

Nursing the times

Year 1 children have been learning about Florence Nightingale and the impact of history on our current NHS. Masterpieces have been created in class which reflects what they have learnt.

Design Technology

This half term, year 3 have been creating their own shell structures with Mr Fleckney in design and technology. These have taken the form of a desk tidy. The children were given the design brief of designing and creating their own desk tidy which is suitable to sit on their teacher's desk.

Uniform reminder

A school uniform provides children with a sense of belonging. We know that the vast majority of our pupils wear the correct uniform and do so with a sense of pride. We thank those pupils for doing this and for your support.

To ensure that our uniform is worn even more consistently across school, we ask that trainers are worn on P.E. days only and loose, mid thigh shorts are worn for P.E. A list of our current uniform can be found on our [website](#).

Finally, please remember to label each item of your child's school uniform and P.E. kit, as it makes it easier for any lost or misplaced items to be reunited with their owner.

Thank you for your support with this.

Pay as you dine

Did you know you can pick and choose daily whether your child has a school meal or a packed lunch? Every morning, class teachers take a 'dinner register', so if your child fancies a scrummy hot meal in school, they just need to let their teacher know. Any meals taken will be added to your child's ParentPay account. Your child can pay as they eat.

Visit our [website](#) here for what's on offer from Mellor's dinner service.
