February 1949 - at a cost of £1697, work began on adjoining playing fields for the children to use in the Spring.

Thought of the Week

'Fill your life with experiences, not just things.'

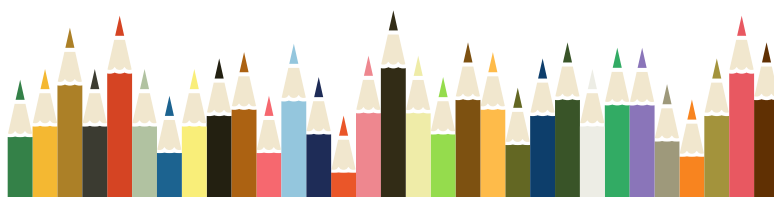

Hollie Lee, Class Teacher

A message from our Principal

We have had some interesting weather recently. The children thoroughly loved the snow so we made the most of it whilst it lasted!

Our assemblies this week have focused upon our music curriculum, we have enjoyed performances from some of our pupils whilst learning about the Winter Gardens, it's history and the famous people who have visited it over the years. We are preparing for our very own performance at the Winter Gardens as some of our children will show case their work at Blackpool's Schools Alive. Miss Lee and Miss Heald have been working closely with Leo, our teacher who leads the Confucius Classroom, to perfect their routines to put on a show from the well know classic 'Mulan' based upon the Chinese legend of Hua Mulan.

Year 1 News

This half term is flying by and the children continue to work very hard in all areas of their learning.

We have had a few new faces in Key Stage 1 and it is great to see all the children making new friends and building strong relationships, which we hope will stay throughout their time at Hawes Side and beyond.

All Year 1 enjoy reading and we want to encourage their passion for reading both here and at home. We really appreciate the time you take at home to read with your child and we are sure you agree, reading and the ability to read, opens up a whole new world of discovery. Year 1 are thoroughly engaged in the story of Paddington Bear and we wonder if the children have also taken a liking to marmalade sandwiches!

Do not hesitate to speak to one of the Year 1 teachers if you want to know how you can support your child with their learning at home.

Don't forget to visit the Year 1 class page and find out more through the Year 1 Sway or [click here to be redirected.](#)
