## A message from our Principal

Lots more exciting things have been happening in the academy this week. As part of their work learning about Blackpool, our younger children had the wonderful opportunity of watching a Punch and Judy Show. From the laughter coming from the hall they were certainly being entertained and had a fabulous time.

Our Y2 children had the honour of visiting the new Showtime museum ahead of its opening to the public this week and our Y4 pupils visited the Grundy Art Gallery. The children have been studying the artist LS Lowry and took advantage of seeing the painting they have been studying. The 1953 painting 'Going To The Match' by the world-famous artist is going on a year-long tour from its home at The Lowry in Salford with the Grundy being one of a small number of chosen venues. It is only in the gallery for four weeks so please take advantage if you can.

## Year 6 News

Last week our industrious year 6 children have been pouring their creative energy into perfecting their individual cushions; each is a stunning piece in its own right.

The entire year 6 cohort invested countless hours in their design technology lessons, meticulously planning and crafting their designs to create such wonderful pieces..

From selecting the fabrics to the skilful stitching of each seam, these young designers have spared no effort in bringing their unique designs to life.

## Have your say

**Your say is really important** and this week we are asking about events

With your feedback we can improve how we engage with our school community.

## Did you know

**Elmer's Big Parade is finally coming to Blackpool!** For the next eight weeks, uniquely decorated Elmers will be positioned around key landmarks for you to see.

The trail will include a herd of mini Elmers decorated by some of the Fylde coast's local schools. Hawes Side has its very own Elmer as part of the trail...
