HSA History

28th August 1952

St Christopher’s church was loaned by the council to house students from Hawes Side because there was simply not enough room.

This Day in History

10th May 1941

It was the night in the Blitz in Britain. 550 German bombers dropped 700 tons of bombs on London. 11,000 houses were destroyed along with thousands of lives lost and injured.

Thought of the Week

‘Your smile may be the sunshine of someone’s day’

Mrs Caroline Boothroyd, Principal

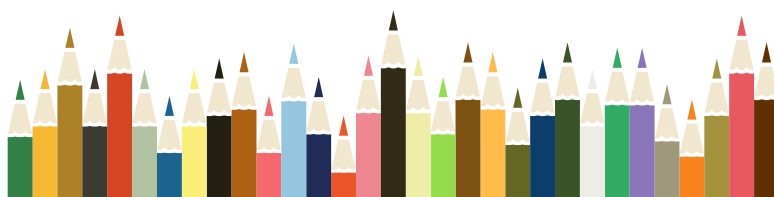

A message from our Principal

As our Y6 families are aware, next week we will be carrying out the KS2 assessments known as SATs. We have explained to our children it is their way of sharing all the things they have learnt over their time with us in the academy. As SATs celebrate only a part of a child’s success at primary school, we want our children to know how proud we are of everything they have achieved.

We will be opening the academy gates at 8.30am, Monday to Thursday, next week for the Y6 children to have the chance to come into school earlier so that they can have a settled start to their day.

I hope you all have a wonderful weekend and we look forward to seeing you next week.

Year 2 News

Year 2 have a busy half term planned with lots of science, geography and art projects. 2H have been reading about volcanoes and researching them using the internet. 2S have been reading the classic, Red Riding Hood, and using adverbs to describe the characters and their actions. 2A have been finding out about the effects of drought on the land through the book The Day the Rain Fell.

In maths the children will be doing measuring work, learning about mass, capacity and direction. Did you know that on the Year 2 Sway, a child from each class records a video explaining how to work out calculations!

Year 2 have been scientists and learning about habitat. Using Google Lens we discovered different varieties of plants and insects and where they live.

In geography we have looked at the physical and human features of our very own Blackpool seaside. We used digital maps and aerial photos to make their own sketch maps.

A very busy half term for Year 2! Why not visit the Year 2 page on our website to find out more.

Between the pages

Ned and the Great Garden Hamster Race by Kim Hillyard The perfect story to remind us all about the importance of kindness.

Laura Garratt, Phase Leader and Class Teacher

Did you know

John Lennon lived in Blackpool for a short spell, watching performers such as George Formby and Dickie Valentin. *Imagine* that!

The Beatles were booked to perform at the South Pier throughout the summer of 1962 but their fame had soared so could not fulfil a summer residency.
