

Hawes Side Academy News

A message from our Principal, Mrs Boothroyd

What a great start to the half term. KS1 had the pleasure of being entertained by M&M Productions yesterday performing 'Beauty and the Beast'. All the children sat so well and demonstrated fantastic values and active listening. They enjoyed participating in the performance and a good time was had by all.

You will see at the foot of this page a link to a recording 4H made last half term with Upbeat. Visiting Upbeat is such a valuable opportunity for the children as they learn new skills and get to perform together, we have many budding musicians in our midst!

We are looking forward to welcoming everyone into the academy next Friday, 10th November, for our second Hawes Side Switch On. We are all very excited about this and hope the weather stays kind. We have many performances to share with you and a 'star family' were the lucky recipients to be selected to switch on our wonderful Hawes Side illumination. Congratulations!

It will be a great evening and we look forward to seeing you then!

Year 1 News

It has been lovely to see the children back in school this week after the half term break. Autumn Two term has already got off to a busy start with lots happening in Year One. We were really excited on Thursday to watch a live performance of Beauty and the Beast in the hall.

In our Geography work we have started to look at the different types of houses that we live in and that we can spot in the local area. Do you live in a terraced house? Do you live in a semi-detached house? Can you spot any flats while you are on our journey to school? Why not see how many different types of houses you can see on your way to school—Year One want to hear all about it!

Celebrating Success.....

Brianna-Marie has been training hard as an ice skater. She has been taking lessons for as long as she can remember and loves to skate. You may be able to catch her at the local arena's.

We need your help!

Do you have any unwanted clean trouser, shorts and underwear (knickers and undies) up to the age of 8 years?

We'd be grateful if you could donate these to the academy.

Sometimes children can have 'accidents' and we need to replenish our stock..

Please drop your items in to the academy office.

Thank you from 4H

A big thank-boo to Noah for bringing in a superb 'Halloween House' for the class to enjoy.

Certainly was a treat (not trick)
