A message from our Principal

Welcome back! We had hoped for sunnier weather on our return, thank fully the children's smiles have brightened up our week instead.

The children in Foundation Stage have been very excited this week as they have been using the climbing frames in the hall. They demonstrated great skills and we certainly have budding gymnasts in our midst. They showed great resilience as they navigated their way up, through and around the equipment and felt a great sense of achievement.

It has been a pleasure being back in the academy seeing the children after the Easter break. They have settled in well and have not forgotten the importance of our academy values. We are looking forward to the next few weeks!

Looking Ahead...

What's coming up?

Class 1H (22/04/24) and 1S (23/04/24) are off to the woods! Fingers crossed that the weather holds out this time.

Class 2A and 2S are visiting Showtown on the 23/04/24.

All year 2 are singing to their families on 22/05/24 at 2:50pm. We can't wait to hear them.

FS are off to Farmer Parrs this half term to meet with the animals.

Year 4 are preparing for their timetables check which is after May half term. They are also discovering about 'mountains' and getting inspiration from people who have traversed Everest.

Year 4 also have a Gulp Challenge, 29th April to 19th May....information will be sent via text and also be available from the office.

Between the pages

Mr Fleckney recommends 'The Enchanted Wood' by Enid Blyton.

The imaginative tale is full of mysteries, fantasy and humour. The immersive characters are perfect for storytelling.

Did you know

There are a growing number of concerns about children's use of WhatsApp and other social media platforms.

Did you know that WhatsApp and Tik Tok currently have an age of 13+?

We recently sent home a message about this which you can read on the school Schudio App as well as find in your school sms messages.

You can also find some helpful information put together by the London Grid for Learning by using this link <https://undressed.lgfl.net>

Year 6 SATs

The dates of the Y6 SATs are:

13th May - Grammar & Spelling

14th May - Reading

15th May - Maths paper 1

6th May - Maths paper 2

Parking

Parking and access to any school can be difficult and whilst we appreciate people need to get on with their day, it is imperative we think of others. Increasingly our neighbours are being impacted negatively by parking and general driving around the access points to school. We

ask that you are considerate to the academy neighbourhood and do not park over driveways, block access to properties, park illegally or irresponsibly. This is not just about being respectful but also being safe for all adults and children on their day to day journeys.
